

Regional Advocacy Workshop (online)

*For the next World Water Forum
and the UN Conference for the
the Water Decade (2023)*

AFRICA (English-speaking)

ANew and the Butterfly Effect Network are co-organising an advocacy workshop dedicated to English-speaking African NGOs and CSOs active in the water sector.

The aim of this workshop is to enable NGOs and CSOs **to foster and gather concrete policy requests** to influence decision makers and to promote positive and ambitious changes in the water sector

Join us on November 24 at 2 pm UTC+3 (Nairobi time)
